In the Arturo Colour Collection we present eight different interior styles. Each interior style has: four unicolours, two floors are scattered with flakes and two floors have a concrete look. Next to these colours we have the Arturo Evergreens, the base colours are unicolour and concrete look, and both have proven their strength through the years.

Below you find the colour survey for Arturo PU2030; self-smoothing floor with the price categories, subdivided in unicolours, flakes and concrete look of the Arturo Colour Collection and Arturo Evergreens.
